

PLAIN TILL & PDQ ROLLS

Keep your business operational with replacement rolls made from high quality Thermal Paper.

Our Thermal paper range is available in a wide range of sizes to fit every make and model of Epos Machine, Cash Register, Till, Credit Card Terminal, Chip and Pin Machine and EPOS System.

Great quality rolls manufactured in the UK at very competitive prices. Keep your stocks low by adding to a regular order.

Pre printed rolls are available on request.

PLAIN TILL & PDQ ROLLS

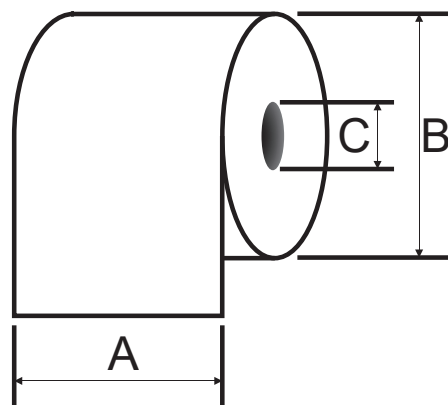

HOW TO MEASURE A ROLL

Measure the width of the roll in mm. Measure it to ensure that it will fit the cavity of your till, if in doubt refer to your manual / user guide.

Measure the full diameter of the roll, including the core.

All our rolls are listed width x diameter x core

All the Till, Credit Card, Kitchen Printer & ATM Rolls are made from FSC certified paper.

Paper Type	Order Code	Size (A x B x C)	Copies	Per Box	Used In
