

Product Information. **PRODUCT CODES: R93/R94**

Pal Polythene Aprons in Dispenser bags are available in two sizes and two colours. With halter neck and waist ties, the aprons slip quickly over your garments to provide maximum protection from any potential spills and splashes during a wide range of catering tasks, medical procedures, first aid and janitorial duties. This product has been manufactured with materials which are safe for use in food environments.

For added convenience, the aprons are supplied flat packed and are easily dispensed through a perforated hole cut into the polythene bag.

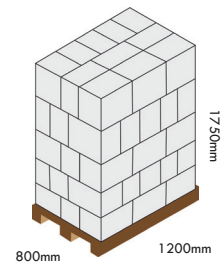

R93 Product Specification.
